

# *Singer Spotlight*

Parents, family, and friends can congratulate performers with Singer Spotlights! Spotlights are short acknowledgments or messages of encouragement (25 words or less) and will be printed in the performance's program.

You can purchase Spotlights for GMHS Chorus Concerts for \$15, \$25 or \$50 per Spotlight. There are two options for creation:

- 1) You can create and submit your own print-ready file
- 2) Send a few pictures of your student and words of encouragement and we'll create a spotlight for you!

All spotlights must be submitted via email and can be paid for by cash or check (payable to GMHS Chorus Boosters).
